LETTER

Sir:

This letter is being filed due to an apparent inaccuracy in the Notice of Allowability mailed on July 6, 2007. In the Notice of Allowability, there is an indication for corrected drawings pursuant to a paper which had a mail date of March 6, 2007 concerning a Notice of Draftsperson's Drawing Review (PTO-948).

A "Replacement Sheet" was filed with the Amendment After Final Accompanying RCE which was mailed on March 1, 2007 (received by the USPTO on March 6, 2007) which amended Figure 8 to include a reference numeral 17. Therefore, the undersigned attorney believes that no corrected drawings are now required.

I hereby certify that this communication is being deposited with the United States Postal Service today, August 1, 2007, in an envelope with sufficient postage as first-class mail addressed to the Commissioner of Patents, P.O. Box 1450, Alexandria, VA 22313-1450.

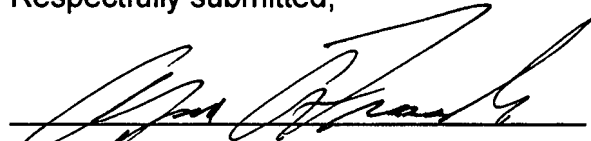

Lissette Ramos

Although numerous telephone inquiries have been made to Examiner Chiem, the Examiner for the present application, as well as to Examiner Chiem's supervisor, Examiner Frank G. Font, to inquire as to this matter, no communication has been received back from either Examiner Chiem or Examiner Font to date.

If there are any questions or comments concerning this letter, please contact the undersigned attorney.

The undersigned respectfully submits that no fee is due for filing this Letter. The Commissioner is hereby authorized to charge to deposit account 23-0442 any fee deficiency required to submit this paper.

Respectfully submitted,
